FR	Si le câble extérieur, la source lumineuse ou le driver contenus dans ce luminaire sont endommagés, ils doivent être exclusivement remplacés par le fabricant ou son agent de maintenance ou une personne de qualification équivalente, cela afin d'éviter tout risque.
GB	If the external cable, lighting source or driver contained in this light are damaged, they have to be replaced by the manufacturer or its maintenance agent or an equally qualified worker, in order to avoid any risk.
ES	Si el cable externo, la fuente luminosa o el "driver" contenidos en esta farola están dañados, deben ser sustituidos exclusivamente por el fabricante, su técnico de mantenimiento o una persona de cualificación equivalente, para evitar cualquier riesgo.
DE	Wenn das externe Kabel, das Leuchtmittel oder das Vorschaltgerät dieser Leuchte beschädigt sind, darf dies ausschließlich durch den Hersteller, seinem Wartungsbeauftragten oder einer gleichwertig qualifizierten Fachkraft ersetzt werden, um jedes Risiko zu vermeiden.
